WRITE NOW:

The Getty-Dubay Program for Handwriting Success
by Barbara Getty and Inga Dubay

Even in this electronic era, handwriting remains an important form of communication -- and it's personal! *Write Now* provides a step-by-step program for developing handsome and legible italic handwriting. Writing practice in basic italic (printing) and cursive italic features lessons in the history of writing and numerals. Also included are options, pangrams, timed writing, and guidelines for shape, slope, size, spacing and speed. A reference section features detailed historical development of capital and lowercase letters. Also provided is an introduction to edged pen writing. This book is handwritten. Illustrated. 96 pages

Style number: GDP128
ISBN: 978-0-9827762-2-3
Price: \$19.95

Barbara Getty and Inga Dubay conduct seminars nationally and internationally. They are also co-authors of the *Getty-Dubay Italic Handwriting Series* and *Italic Letters: Calligraphy and Handwriting*. They have been featured in numerous publications including American Medical News, The Los Angeles Times, The New York Times, The Wall Street Journal, and The Washington Post as well as on ABC, CBS, CNN, NBC, NPR and PBS.
